

**Producer Responsibility Scheme (PRS)
on Waste Electrical and Electronic Equipment (WEEE) (WPRS)
有關廢電器電子產品生產者責任計劃**

We wish to draw your special attention to the Producer Responsibility Scheme (PRS), a key policy tool introduced by the Environmental Protection Department (EPD), the Government of the HKSAR.

To raise the public awareness of proper treatment of Waste Electrical and Electronic Equipment (WEEE), WPRS is set to be fully implemented in 2018. From 1 Aug 2018 onwards, for distributing Regulated Electrical Equipment (REE) in Hong Kong, suppliers or sellers should act accordingly to fulfil statutory obligations.

Please refer to the attached information for the details of the Scheme, exhibitors who fall under the suppliers / sellers categories are advised to submit their applications to the EPD as early as possible, and conduct all necessary due diligence to avoid any form of penalty.

香港特區政府環境保護署（環保署）於近日已實施一項主要環保政策 – 廢電器電子產品生產者責任計劃（廢電器計劃），現請各參展商特別留意有關之計劃內容，並儘早向環保署遞交登記申請。

為提高公眾對正確處理廢電器電子產品的意識，廢電器計劃已於 2018 年全面實施。2018 年 8 月 1 日起，供應商 / 銷售商在香港分發受管制電器，需按有關法定要求安排相關事宜。

計劃詳情請參閱附件資料。為避免各參展商觸犯法例以導致罰款，受管制電器之供應商 / 銷售商請儘早向環保署遞交登記申請，並按附屬法例執行各項細節。
